FURNITURE

# Maromix

Armas is the exclusive agent of KOMANDOR® in the Kingdom of Saudi Arabia. Closets and storage systems are made at Maromix® Factory using KOMANDOR® 100% European components and designs.

KOMANDOR is an international brand with over 25 year's history. We are designing and producing bespoke furniture systems and delivering them proudly to the furniture industry in 42 countries of the World. KOMANDOR company is a trendsetter in wardrobes, walk-in cabinets, interior doors and light design partitions. With years of experience in the production of cabinet furniture and furnishing homes for clients worldwide, we are experts in perfect quality, functionality and really good design.

In this catalogue we present modern furniture and original design solutions. We offer you the newest combinations of materials, textures, colours and accessories. The ideas implemented in furniture projects are of universal application, because they contain deep ergonomics and functionality. We hope our album will inspire you to create a unique interior. To do this, on each broadside we left tips on the most important items for the room arrangement: ergonomics, colour, composition. Welcome to KOMANDOR world of design!

# BEDROOM

Combination of moderate colours and bright accents will be the best choice for a bedroom in a modern style. Details are very important for creating a good composition: diversified materials of the identical colours and their delicate combinations. You will be pleasantly surprised by a wardrobe with a thin door frame Heliodor, stylish coloured glass doors of the contrasting colours and practical storage devices. Thanks to Komandor organizers system every item in your wardrobe will be on the right place and it will be really easy and convenient to keep your clothes neat and tidy. This will allow you not to worry about order in your wardrobe, and you will be able to spend more time with your family.

## RECOMMENDED:

### 53-67141 MC ROTATED MIRROR

170x415x1130 mm, Mocca

Really necessary product in any wardrobe or cabinet. Thanks to the compact design, does not require too much wardrobe space. It is equipped with 2 additional containers for small items. The finishing colour matches other products in the series.

### 53-71641CZ DRAWER SAFE BOX

564x400x150, Black

Safe for your apartment with an electronic lock - convenient, practical and reliable. House safe allows you to store documents, small savings, and things you want to hide from children in an inaccessible place. Drawer-safe is made entirely of metal and is installed similarly to in-mount technology. At the face of the safe MDF or framed front are fixed.
